

### **LubriEdge Rust Oil DW 60,90 and 120 (Rust preventive oil solvent based) - Product Data Sheet**

**Product :** LubriEdge Rust Oil DW (Solvent based dewatering type) are light bodied solvent cut back type,water displacing rust preventive oils.They form very thin,soft and powerful protective film on evaporation of the solvent present in the rust preventive oils.This oils are very good water displacing characteristics and excellent finger print corrosion prevention property.The treated parts remain well protected for 9 to 12 months if indoors and 3 to 6months if outdoors.

**Specifications :** Proprietary Grade

**Benefits :**

- Excellent protection against rust and corrosion.
- Dries to form a non-stick & dry feel film after 60-90 minutes application
- Protective film that does not get scratched easily and protects during handling and outdoor storage

**Typical Properties :**

Characteristics	Test Methods	Unit	DW 60	DW 90	DW 120
Film thickness,min	IS 2074	micron	3.5	4.5	6.0
Flash Point , PMCC min	ASTM D 92	°C	32	60	70
Copper strip corrosion Test@100 for 3 hrs	ASTM D130	-	1	1	1
Water displacement properties	ASTM D693	-	Passes	Passes	Passes

Note : Above mentioned properties are typical values of the product range and doesn't represent specification of the product. Regarding these products, OFB Tech Private Ltd provides no express or implied warranties, representations, or conditions of any kind. It is entirely the users' obligation to determine if the product is suitable in the end for the intended usage.

Storage : Every package needs to be kept covered in storage. Steer clear of heat or the sun. To prevent contamination, keep the container well closed and sealed.

Safety : Please dispose of this product carefully to prevent contaminating the environment, as you would with any product. Don't pour spent oil down the drain or into the water. Steer clear of the eyes and skin. Cleanse with soap and water after skin contact. When used as directed and the safety data sheet (SDS) instructions are followed, this product shouldn't have any negative health effects.
